PLEASE READ BEFORE ORDERING

It has come to that time of year again when we are getting ready to start replanting the Iris. We are offering catalogued varieties as well as excess garden favourites at discounted prices.

Photos of varieties can be found in our current catalogue (found on our website). All varieties with an asterisk (*) can be found in our previous catalogues. All varieties can be found online using google (simply type in tall bearded iris 'variety name') or on the American Iris Society website in the Iris Encyclopedia (<http://wiki.irises.org/Main/TallBearded>).

HOW TO ORDER: Fill out the forms with quantities of the varieties you would like. Fill out customer details (in entirety please). You can mail the forms to us or send them via email or you can phone it through.

If you are paying with Paypal we must have an email address to send an invoice to. You can pay with Paypal even if you do not have a Paypal account. If you are paying with credit card please fill out all of the information. Our machine requires it to process a transaction. Personal cheques to be made out to Melissa Schiller.

Thank you for your order.
 Melissa and Bailey Schiller
